Subject:- Disforestation of Forest S.No. 145 of Achnur Taluka Bagalkot District Bijapur.

Reference:- Divisional Commissioner Belgaum's endorsement No. GB/FOR.SR 169 of 31-5-1958.

P. 159

Sir,

In resubmitting the papers of the case I am to report as under to the points raised by the Divisional Commissioner, Belgaum in his above quoted endorsement.

(1) The building plots are required for 54 families A statement showing the names of persons requiring these building plots is enclosed at page 169.

(2) The area proposed to be allotted to each family would be 40' x 30'.

(3) In all 61 plots have been laid out as shown in sketch at page 159.

(4) The occupany price to be recovered for each plot should be fixed at Rs. 25/- per plot uniformly as they are all of the same size.

(5) The plots may be granted a new and impartible tenure (i.e. not to be transferred to others without the previous permission of the Deputy Commissioner) According to the building regulati-ons, the conditions that 1/3 area of the plot should be kept open and 2/3 area of the plot should be builtover, may be imposed. Each living room should not measure less than 12' x 10 ' The other conditions does not appear necessary.

A neat sketch showing the layout of the plots is enclosed at page 159 taking into consideration the question of providing interior roads, open spaces and other needs etc.

The 54 plots are now sufficient to meet the present demands of the villagers. The remaining 7 plots out of 61 plots will have to be utilised to meet the future demands of the villagers in due course.

In addition to the above, 66 plots each measuring 20' x 10' for manure pits are laidout. These plots can be granted to each of the above 54 families -

families at an occupancy price of Rs. 10/- each.

It is therefore submitted that necessary sanction for disforestation of the area ~~of~~ measuring 4 acres and 7 annas out of Forest S.No. 145 ~~and~~ of Achanur may kindly be accorded.

Yours faithfully,
